

La Créole Beach Hôtel & Spa

La Créole Beach Hôtel & Spa flourishes with hospitality. Chilled, eucalyptus-soaked towels await you upon arrival, as does a choice of the island's famous rum cocktails: Planter's or Ti' Punch.

Set in Guadeloupe's Gosier neighborhood, this stunning stay is less than 15 minutes from Point-A-Pitre International Airport and offers 211 accommodation options — from ocean view suites to duplex apartments. But with a 2,690-square-foot spa, beachfront access, two restaurants (including traditional Creole cuisine) and La Rhumerie bar, you'll find plenty of reasons to step outside.
